Application Due March 17

Florida Youth Institute

University of Florida College of Agricultural and Life Sciences
Florida Department of Agriculture and Consumer Services

The Florida Youth Institute (FYI) is a one-week residential summer program being offered July 9-14, 2017 and July 16-21, 2017 for up to 25 selected students per session. Students may attend only one session. Applicants must be entering their junior or senior year. FYI will expose students to issues in agriculture, life science, and natural resources to stimulate interest in and an appreciation for the range of college majors and career opportunities available in these areas. The program cost is \$350 for each participant, and funding assistance may be available.
