This year's t-shirt!

2024 CLASS TOPICS

- Ultrasound Technology to Assess Carcass Quality
- Artificial Intelligence and Robotics for Pest Control
- Invasive Reptiles in Florida
- Fetal Development of the Beef Calf & Cow Nutrition: Is Supplementation Profitable?
- From Sand to Clay: Evaluating Soil Textures

Students, ages 8 and up, parents, & youth leaders, are invited to attend! The goal of this event is to excite students about agriculture and science, reveal future opportunities in those fields, and foster a love of learning which will promote agriculture and good stewardship in this and future generations. Register by 6/6 to pre-order a t-shirt!
