3401 Experiment Station
Ona, FL

This year's t-shirt design, by
Lydia Davis, last year's design winner!

This year, students ages 8-18 will earn Youth Beef Quality Assurance Certification.

Our 2025 classes:

- Biosecurity: Lowering the Exposure
- Nutrition and Body Condition Scoring
- Newborn Calf Health Management
- Low-Stress Cattle Handling
- Best Practices: Using Injectables

Students with their parent or youth leader are invited to attend!

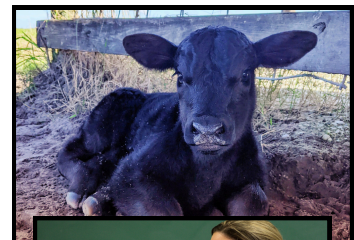

The goal of this event is to excite students about agriculture and science, reveal future opportunities in those fields, and foster a love of learning which will promote agriculture and good stewardship in this and future generations.

Register by 5/15 if you would like to pre-order a t-shirt!
